

“Revelation” - *Digital Paintings With Comments By Andreas Ingo*

*An Image From Childhood.
A Foretelling Of Future Adventures
Upon A Green Meadow...*

This painting depicts a feeling I had when I was playing in a playing ground
in an area close to the place where I lived.

I didn't know what this feeling would bring.

But this feeling and many others became the director of my life
as an adult travelling the world, writing stories, making films,
meeting all sorts of people.

Even becoming a scientist and astronomer.

An Image Dreamt Up Like A Child's Play!

A Spring Vision...

*Something Experienced In Southern Sweden
As Winter With Snow And Ice
Gave Room For Open Water.*

Another Director Of My Life As I Always Wanted To “Be In The Light”.

Why Feel Bugged Down By The Realities
Many Places In The Modern World So Often Present?

Why Feel Guilty Doing The Simple
In A World With Too Many Options?

Give Room For Your Inner Light!

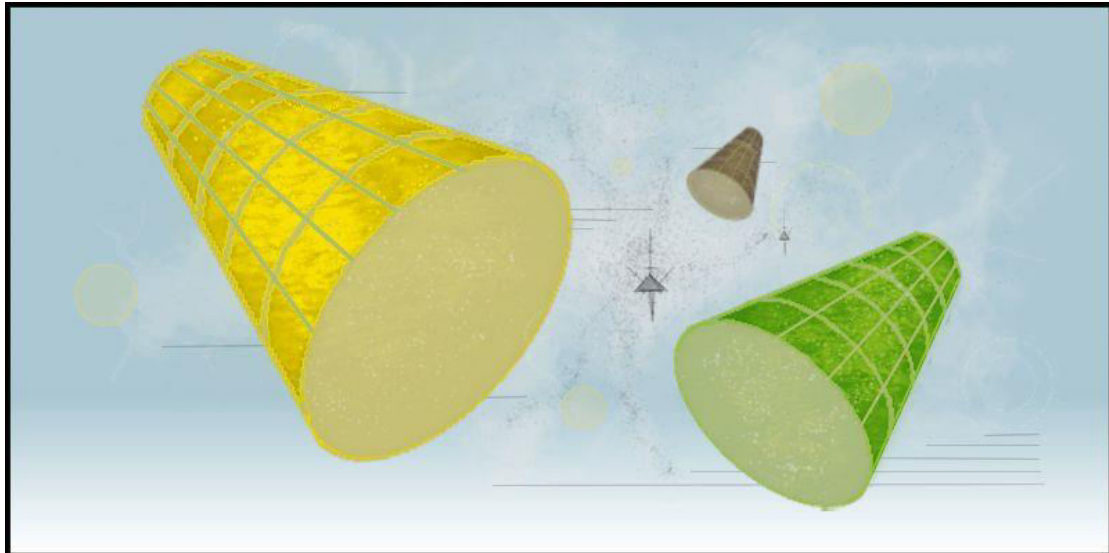

*As Peace Give Room For Mystery
And The Observer Becomes A Thinker
New Modes Of Life Are Revealed...*

Something I Learned While Travelling The World
As A Young Adult.

That As You Leave A Conventional Life
New Opportunities To Learn About
The ***Unconventional*** Arise!

Be Receptive!

*Entering The Kingdoms Of The Spiritual Spheres...
A Calm Sense Of Peace And No Doing
Creating A Place To Grow With Passion In One's Own Way...*

At One Point I Temporarily Abandoned Travel
To Find The Guiding Light Within. A Blissful State Of Inner Peace
Due To Good Sleep, Physical Exercises And Meditation.

Learning The Art Of Musical Composition.
The Odd Details Of Chess
Among Many Other Things.

A True Learner Also Knows His Limits!

Put Suffering Aside!

But Peace Leaves Room For War.
*Not A Physical War But **The War Of A Spiritual Warrior!***

Yes It Can Be Said In Many Ways.
That The Lone Thinker, The Outcast Traveller,
The Lover Of Many Ways
Had To Become A Revolutionary.

Not The Revolutionary Of The Past
Doing Struggle For Some "Political Cause".

But The Struggle To Overcome Himself!

Take Initiative!
